

Yamini Naidu, CSP

MC Introduction

Our next speaker is the world's only economist-turned-business storyteller, which is surely one of the best job descriptions on earth.

Yamini Naidu helps leaders turn big ideas into stories people can understand, remember and act on.

She has worked with clients including Google, Tiffany & Co. and Ford Motor Company and is one of Australia's most trusted voices in business and education.

Yamini's name rhymes with Harmony – Yamini, Harmony.

Please put your hands together to welcome **Yamini Naidu**.

*CSP Designation

A CSP designation is the highest honour awarded to speakers across the globe by both [Australia's National and Global Professional Speaking bodies](#). In Australia there are only approximately 150 CSPs in total, and of those, only 50 female CSPs.

Pronunciation tip: Yamini rhymes with Harmony. Naidu (pronounce as Nai-DO)
